First Year Stationery List September 2017

Dear Parents/Guardians,

Here is the list of stationery needed for the coming year. Many of the items will last for three years.

As you will see most of the subjects require A4 Hardback copies for notes this will ensure the notes are kept together for the three years. There are now plastic covered A4 notebooks for sale in most stationery shops which should last the three years. They do however tend to be a little more expensive because they are not always available in the discount stores, however, they would greatly reduce the weight for students. Please clearly label all personal items purchased.

List of items per subject

Subject	Equipment
English	An A4 hardback and a copybook
Irish	An A4 hardback and a copybook
