

Fifth Year List Stationery List 2023/2024

Dear Parents/Guardians,

Below is a list of stationery & books required for the coming school year. To help with your child's organisation this year, it is advised that all copybooks/hardbacks and personal items are clearly labelled. There are also plastic pocket organisers available in stores that can be colour co-ordinated for each subject. **Please note, many of these items can be used again in Clonturk Community College.**

Physical versus E-Book: This year, we have created the option for families to choose to buy Physical books that include the e-book or e-books only.

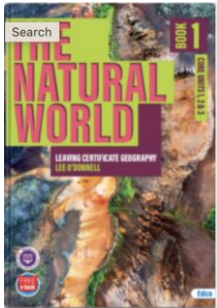

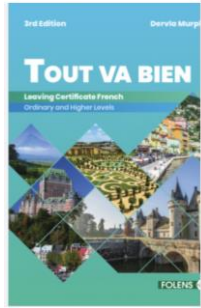

- Physical Books: If you would like to purchase Physical books please purchase at your local book supplier.
- E-books: Each publisher has their own method of purchasing e-books only. Please see details below.
- Subjects where physical books or others (i.e. novels, record books) are a requirement are highlighted below.
- Books: Please only purchase compulsory subjects and option/language subject assigned.

Subject Fees: Any fees listed below for option subjects will be setup in August for online payment. Details will follow.
