Clonturk Community College offers highly qualified and experienced teachers and a rich range of sporting and extra-curricular activities.

Subjects and programmes to be offered are subject to sufficient demand to accrue the necessary resources as determined by the Board of Management, in addition, the Board of Management sets the number of students we can offer places to each year and this is published in the Admissions notice.

The college is committed to the successful implementation of recent legislation, in particular the Education Admission to Schools Act (2018), Education and Training Board Act (2013), Education Act (1998), the Education Welfare Act (2000) and the Equal Status Act (2000). Clonturk Community College does not discriminate in our admission of students, on the grounds of gender, civil status, family status, sexual orientation, religion, disability, race, Traveller Community membership or special educational needs. The rationale for this policy is to provide fair, transparent and effective criteria for admission of students to the College in compliance with legislative requirements. The Board of Management fully subscribes to the principles of partnership, accountability, transparency, inclusion and respect for diversity, parental choice and equality.

Where Clonturk Community College is in a position to offer further school places that become available for and during the 2024 - 2025 school year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Clonturk Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

5.1.4 Late applications

An application received by Clonturk Community College after the closing date published by the college, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Clonturk Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the college before the closing date for applications. Such applications will be placed on the waiting list in accordance with the date and time

they were received by Clonturk Community College and subsequently the college's selection criteria will be applied in accordance with this Policy.

Where Clonturk Community College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within the college, subject to section 4.7, and the same process as applies to Applicants whose applications were received before the closing date will be operated i.e. an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

Where a Student is in receipt of an offer of a place within Clonturk Community College but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds etc. until all places within the school have been filled.

5.1.6 Acceptance of a place

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the college.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not he/she has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

5.1.7 Refusal

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 5.1.7.1. The reasons that the Student was not offered a place in Clonturk Community College.

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.4 above.

5.1.9 Appeals

For information relating to an Applicant's right to appeal a decision of Clonturk Community College regarding admission to the First-Year group, see section 5.2.

As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

5.2.2 Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Clonturk Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Clonturk Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.
